

TO: Drivers

FROM: Randy Folk, Driver & Promoter, Bradenton FL

REGARDING: Planned events in 2010

I have been working on a way to bring outside money into bracket racing—which IS what it's all about, right? I was hoping to introduce this program by the "Million," ran out of time but did want to give you an overview & basic details. I will keep you posted on www.race2themillion.com

I'm planning 10 \$100k races! These 3-day events will pay a MINIMUM of \$50,000 per day! Best of all, the entry fee is anticipated to be less than \$50.00. There will be no buy backs based on a minimum car count of 100. The payout will of course increase as the car count increases. For example: 175 cars= \$100,000; 275 cars= \$200,000. There is a maximum car count of 512.

As an added bonus- - when the 512 car count maximum is met for ALL 3-days of any event we will be giving away Corvettes & Harley's "like they're kittens!"

Round monies paid will be more than fair to the racer. We are also considering a 'points program' that will have a payout of \$1,040,000 to the top 128 cars followed by a 'championship race.' All 128 cars will receive \$5,000. The winner of the championship race will win \$100,000; the runner-up will win \$50,000. Racers getting to the semi-finals will win \$25,000 and those reaching the quarter-finals will receive \$12,500. Payouts are anticipated down to 2nd round losers. The 'points program' will be pro-rated based on the car count as well.

Location of the races has not been determined as of yet but I wanted to brief you all on the great events we have coming next year! We will continue to update you on the above mentioned website & hope you all are as excited as we are!

Good Luck! We hope to see you all next year!
